# ABOUT THE TREK

Har ki dun is situated in a lying strip of Rawain sub-division of Uttarakashi district is a unique valley sprawling about 7-8 km. The scenic valley has lush green grass, In memorable flowers and valuable herbs. At an altitude of 3,566 meters, Har-ki-Dun is a popular as the most beautiful creation of nature.

To reach Har ki Dun from Uttarkashi one passes through the barkot, purola, netwar and taluka village. The valley of 25 km from har ki dun passes through osla the last village on the route. River tons flow in the valley adding to its charm. This trek is famous for its mountain views, and through this valley one can get view of Swargarohini — I, II, III, Har ki Dun peak, Bandarpoonch and Blackpeak, all together. During the trek, You will get to trek along the beautiful emerald green water of Supin River to Har Ki Dun valley.

Sankri (elevation 1920m above sea level) is a small beautiful village in Govind National Park with few hundred houses. It serves as base camp for several other treks other than Har ki dun, such as Kedarkantha, Bali pass, Ruinsara taal trek etc.

The valley has cradle shape and has numerous ancient villages which are more than 3000 years old. Moreover, you will not only get to experience the beauty of this region. you are a nature lover, or an adventure seeker or just like photography as a passion and keep looking for new fantastic locations to document then Har ki dun trek is the one for you.

# ITINENARY

## of the Trek
